## Country Cookin' for City Folk!

Imagine a good 'ol country boy who moved to the Big City, but never could shake the hankerin' for "down-home" food like his Mama cooked for him.

***That's the inspiration for Bubba's Cooks Country!***

You're gonna like our real good food. It's not fancy and we serve a lot of it...in a casual and comfortable atmosphere that will remind you of a small-town cafe from the past.

***You gotta try it...we hope to see you soon!***
